

# Form PTAX-340 General Information

## What is the Low-Income Senior Citizens Assessment Freeze Homestead Exemption (SCAFHE)?

The Low-Income Senior Citizens Assessment Freeze Homestead Exemption (35 ILCS 200/15-172) allows you, as a qualified senior citizen, to have your home's equalized assessed value (EAV) "frozen" at a base year value and prevent or limit any increase due to inflation. The base year generally is the year before the year you first qualify and apply for the exemption. For example, if you first qualify and apply in 2024, your property's EAV will be "frozen" at the 2023 EAV.

The amount of the exemption is the difference between your base year EAV and your current year EAV. For Cook County only, the amount of the exemption is the difference between your base year EAV and your current year EAV or \$2,000, whichever is greater. Freezing your property's EAV does not mean that your property taxes will not increase, however. Other factors also affect your tax bill. For example, your tax bill could increase if the tax rate, which is based on the amount of revenues taxing districts request, increases. Your EAV and tax bill may also increase if you add improvements to your home. However, if your home's EAV decreases in the future, you will benefit from any reduction.

## Who is eligible?

The low-income senior citizens assessment freeze homestead exemption qualifications for the 2024 tax year (for the property taxes you will pay in 2025), are listed below.

- You will be 65 or older during 2024.

  - owned the property, or had a legal or equitable interest in the property as evidenced by a written instrument, or had a leasehold interest in the property used as a single-family residence, and
  - were liable for the payment of property taxes.

You do **not** qualify for this exemption if your property is assessed under the mobile home privilege tax.

**Surviving spouse** – Even if you are not 65 or older during 2024, you are eligible for this exemption for 2024 (and possibly 2023) if your spouse died in 2024 and would have met all of the qualifications.

**Residents in a health facility** – Even if you did not use the property as your principal place of residence on January 1, 2024, you qualify for this exemption if you are a resident of a facility licensed under the Assisted Living and Shared Housing Act, Nursing Home Care Act, ID/DD (intellectually disabled/developmentally disabled) Community Care Act, or Specialized Mental Health Rehabilitation Act of 2013 and you meet all other requirements, have received this exemption previously, **and** your property is either unoccupied or is occupied by your spouse.

## Part 2: Property information

**Lines 1 and 2** – Identify the property for which this application is filed.

## Part 3: Household income for 2023

“**Income**” for this exemption means 2023 federal adjusted gross income, **plus** certain items subtracted from or not included in your federal adjusted gross income (320 ILCS 25/3.07). These include tax-exempt interest, dividends, annuities, net operating loss carryovers, capital loss carryovers, and Social Security benefits. Income also includes public assistance payments from a governmental agency, SSI, and certain taxes paid. These Step-by-Step Instructions provide federal return line references and reporting statement references, whenever possible.

The amounts written on each line must include the 2023 income for you, your spouse, and **all** the other individuals living in the household.

As an alternative income valuation, a homeowner who is enrolled in any of the following programs may be presumed to have household income that does not exceed the maximum income limitation for that tax year: Aid to the Aged, Blind or Disabled (AABD) Program or the Supplemental Nutrition Assistance Program (SNAP), both of which are administered by the Department of Human Services; the Low Income Home Energy Assistance Program (LIHEAP), which is administered by the Department of Commerce and Economic Opportunity; The Benefit Access program, which is administered by the Department on Aging; and the Senior Citizens Real Estate Tax Deferral Program.

Write the total amount of retirement, disability, or survivor’s benefits (including Medicare deductions) the entire household received from the Social Security Administration (shown on Form SSA-1099, box 3 or use box 5 only if there is a reduction of benefits). You also must include any Supplemental Security Income (SSI) the entire household received and any benefits to dependent children in the household.
