POSITION ANNOUNCEMENT

Mental Health Case Manager

The Christian County (IL) Health Department is seeking a Mental Health Case Manager to perform duties related to grant specific and other public health programs that focus predominately on mental health case management. Duties may include linkage with social service providers of other clients as referred by therapists, monitoring of mandated DMH (Department of Mental Health) clients discharged from state hospitals to the community or to local nursing homes, giving assistance as possible to prevent relapse and re-commitment, monitoring of client caseloads, and other duties as assigned.

The successful applicant will have a Bachelor's Degree in a related social service degree. Two (2) years of experience is preferred. Must be trained in CPR, if the candidate is not trained at time of employment, training will be provided within a reasonable time by the employer. Must have a valid driver's license and auto insurance. Knowledge of public health principles preferred. To apply for this position, please email a letter of application along with resume to Chad.Anderson@christiancountyhealth.org.
