

Vegetative Buffer Map

Applicant: North Pana Solar, LLC
Application: Commercial Solar Energy Facility (CSEF)
Parcel: Christian County Parcel Identification Number 11-25-09-400-004-00
Zoning: AG-1 Agricultural

A vegetative buffer will be planted between the fence surrounding the CSEF and the property line of Christian County parcel identification number 11-25-09-400-004-01. This parcel contains a single-family home. As shown on the image in orange, the vegetative buffer will be on the west side and the north side of the residential structure. The proposed vegetative buffer of evergreen trees will be planted and maintained prior to construction at the proposed location. The vegetative buffer will meet or exceed the height of the solar panels and all solar facility equipment (with the exception of utility poles) including the perimeter fencing. As a result, the solar facility will not be visible from the residence.
